SEALINE S330v

SPORTINESS PAIRED  
WITH EXCELLENCE

# SEALINE S330v

## LARGE BATHING PLATFORM

Celebrate life on the water in full comfort. The teak-floored bathing platform is the perfect starting point for taking a swim, diving or other activities.

## DYNAMIC, SLEEK DESIGN

From the roof line to the hull shape, you'll get enthusiastic about the sporty aesthetics. Feel them with every glance. With every metre of the way.

## FUN-TO-DRIVE OUTBOARDS

Driving the S330v is spontaneous and entertaining. The outboards' quiet operation ensures life on board to be a pleasure.

## HANDCRAFTED LUXURY INTERIOR

Enjoy exquisite style down to the smallest seam. The exclusivity of the interior can be seen in every detail and felt with every touch.

## CLASS-LEADING INTERIOR SPACE

Outstanding dimensions. Among all the sport yachts in the 33-foot class, the Sealine S330v offers the most spacious beds and standing height below deck.

## TWO GENEROUS SUN LOUNGES

Sunbathing for all your guests. In addition to the sunbed at the bow the rear settee can be transformed into a comfortable lounge.

TREND-SETTING DESIGN

## GET IMPRESSED BY TRUE POWER – 2 X 350 HP SPEED UP YOUR PULSE

The new Sealine S330v is here, ready to exceed your expectations. She takes her light, thrillingly dynamic design from the celebrated Sealine S330. Her breathtaking performance is delivered by two powerful outboard engines just waiting to get going. The excellent response characteristics and steering precision of the outboards will tempt you to enjoy intuitive driving manoeuvres. Discover the Sealine S330v today. Typical Sealine. Excitingly different.

enjoy the  
**LIGHT**

feel the  
**SPACE**

combine functionality with  
**DESIGN**

All Sealine yachts are born of the same values: they feature wide interior spaces, an amazing quantity of natural light and outstanding design with German engineering inside. As for these trademarks, the S330v displays the true spirit of Sealine.

## WHATEVER YOU LIKE TO ENJOY – THE S330v IS THE PLACE TO BE

Bathing, soaking up the sun, barbecuing: the Sealine S330v has all it takes to satisfy every desire that comes to your mind. Extra-large sunbeds can be placed in the bow section. The cockpit table easily converts into another sunbed, making it possible to invite four guests to relax outside – at the same time. Onboard of this sports cruiser, the sun shines for everyone.

Thanks to the open stern and partially glassed sides, the Sealine S330v provides you with lovely sun and fresh sea air at all times. When you slide open the sunroof and retract the bimini over the cockpit, you will get the maximum of daylight. To make the summer feeling complete, you can enjoy countless amenities of grand comfort, including a gas grill, two sun lounges and a bathing platform. No doubt: the Sealine S330v already fulfills your every desire for luxury.

**SEALINE S330v**

Instant throttle response. Precise steering characteristics. Awesome sportiness and acceleration. If you expect your driving experience to be most spontaneous, the outboard-powered Sealine S330v will arouse all your enthusiasm. Her low draught allows manoeuvring, snorkeling or bathing close to the coast. In addition to these benefits, steering the yacht when reversing is beautifully simple.

## FOR A PERFECT MATCH, TAKE THE BEST OF EVERYTHING

At a length of 33 feet, the Sealine S330v provides everything you would expect from a supremely comfortable motor yacht. A full-featured galley, a luxurious saloon and two double cabins, all designed in an elegant yet modern style. Once inside, you realise why light switches are rarely used before sunset. Large hull windows provide abundant natural light – as well as wonderful views to the maritime scenery beyond.

The S330v features an interior so versatile that it is defined only by your needs. For example, you can order your yacht with or without bulkhead between the saloon and forward cabin – and you still have the benefit of a separate cabin in the rear.

## TAKE A SEAT – AND THEN TAKE OFF

One of Sealine's trademarks is to arrange the instruments in a way that brings ergonomics and style into perfect balance. The helm station is a designer piece in itself, adding a spectacular touch to the space with its gleaming, chrome fittings. The joy of driving can be shared by two thanks to the twin co-pilot seat on the port side.

## OUTRUN THE ORDINARY

Outstanding boating characteristics are part of the Sealine experience. From the shape of the hull to the engines, we have pulled out all the stops to ensure the Sealine S330v gives you special moments on the water.

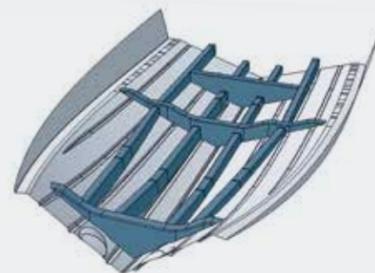

### 2 OUTBOARD ENGINES

The Sealine S330v is designed to be driven by two 300 hp outboard engines. On request, an upgrade to 2 x 350 hp is available.

### LAMINATED POWER GRID

The hull reinforcements of the Sealine S330v are elaborately laminated – giving you the advantages of a high-strength yacht with a reduced weight.

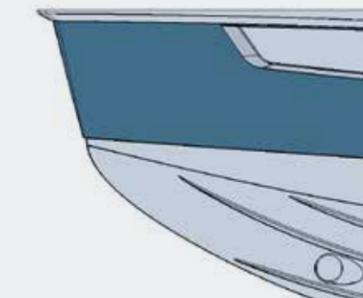

### DEEP V-SHAPED KEEL

The Sealine S330v hull cuts sharp through the waves. This means the Sealine is exceptionally stable in the water, and you can feel the higher boating comfort as a result.

### UPRIGHT STEM

The vertical stem, with its bottom corner, pierces through the waves elegantly. This, in turn, results in more comfort and higher boating pleasure.

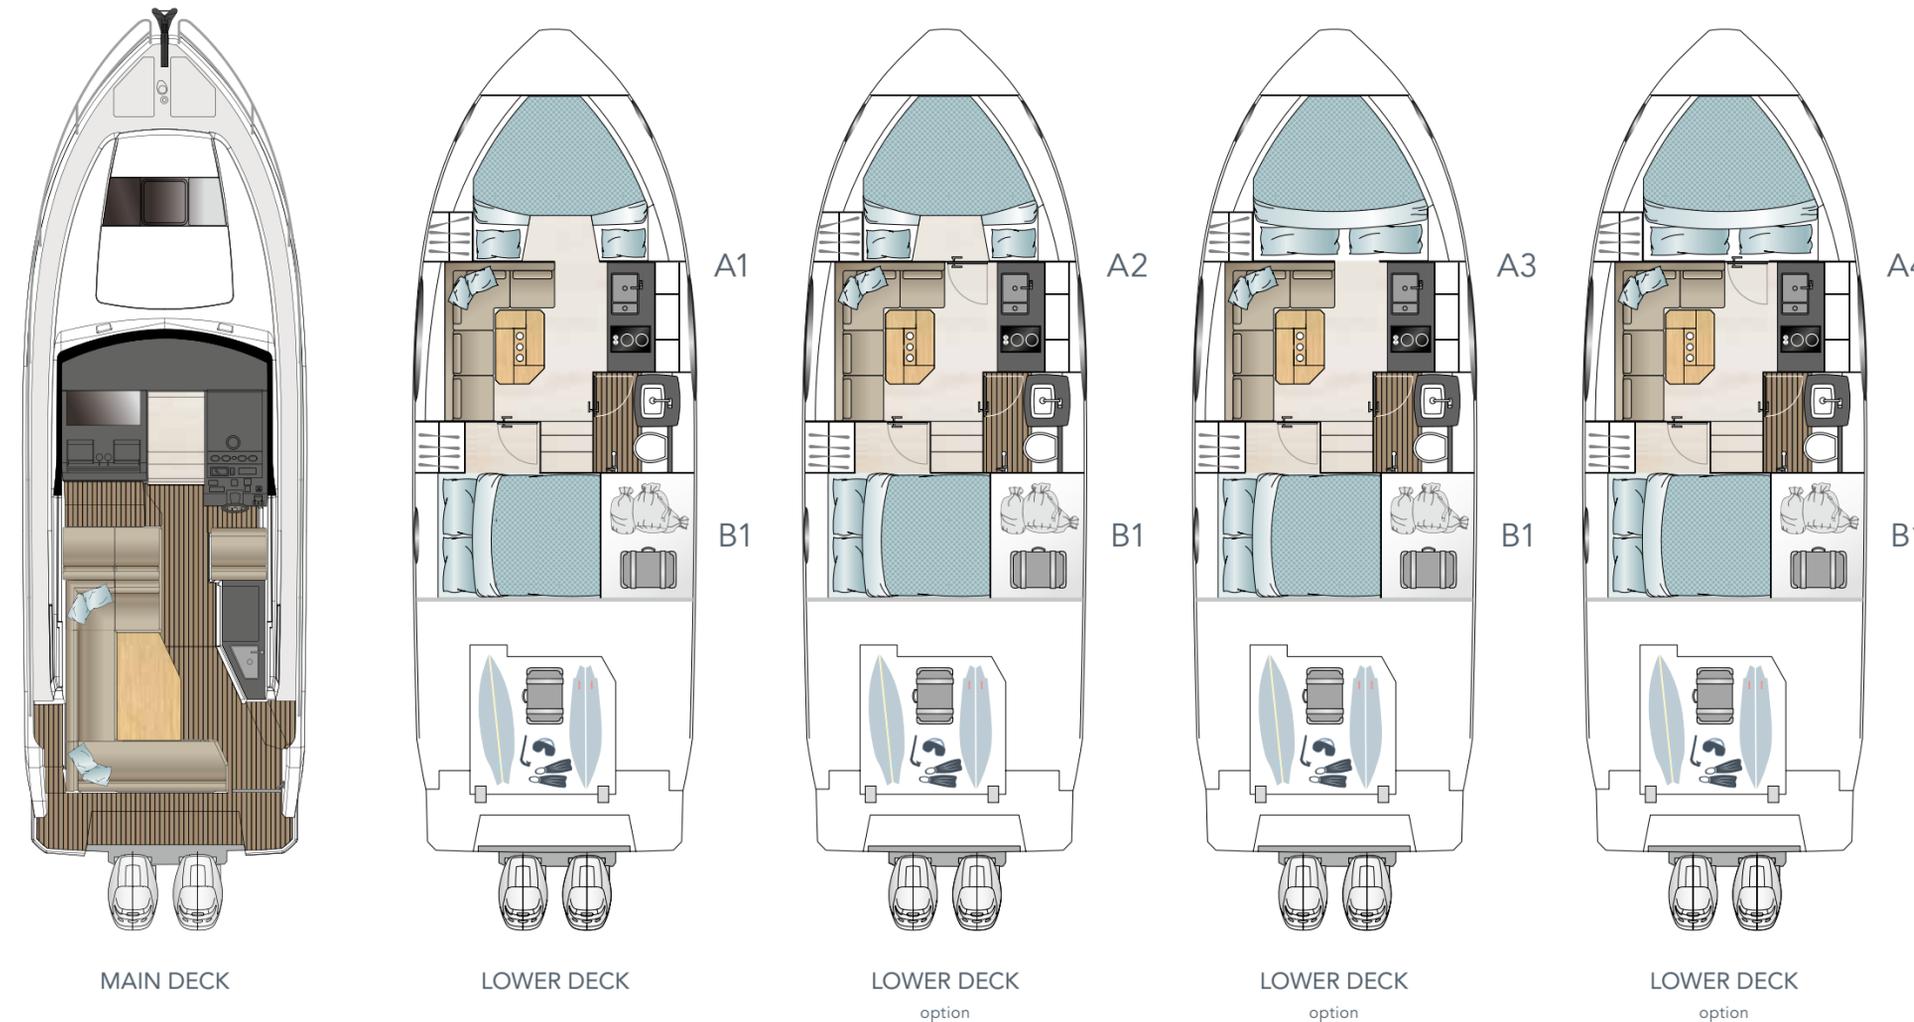

PRINCIPAL DIMENSIONS (according to ISO 8666)

## GREAT DESIGNERS CREATED YOUR S330v – BE ONE OF THEM

Don't hesitate to create a look that is as individual as you are. The hull and the waterline of your S330v can be painted in almost every colour according to the Alexseal Yacht Coatings Selection. All worktops are made of CORIAN®. This premium surface combines high performance with outstanding aesthetics. It is best known for its seamless appearance and stunning effects of colour and translucency. Furniture wood can be ordered in satin or high gloss finish on demand. The carpets of the cabins are woven of finest wool.

BRAND PHILOSOPHY

## GERMAN PRECISION AND PASSION FOR THE SEA. THAT'S WHAT A SEALINE IS MADE OF.

In 2013, the Sealine brand found a worthy new home on the German Baltic coast. At our shipyard in Greifswald, we have perfected the interplay between state-of-the-art manufacturing techniques and skilled employees.

The outstanding people in our team perform their work with enormous experience, a deep understanding of the customer and great dedication.

In addition, we are thrilled to cooperate with our British partner Bill Dixon. Working closely with our in-house personnel, the award-winning designer is creating a new range of innovative Sealine models.

Above all, we believe that what holds true for the experienced boater, also holds true for us as boat builders. Beyond the individual skill, there is something which genuinely binds all of us at Sealine: A great passion for the sea.
